Re: FEC #C00234641 Your notice dated October 6, 2000 regarding Mid-Year (1/1/99-6/30/99) and April Quarterly (1/1/00-3/31/00) and your notice dated October 4, 2000 regarding Year End Report (7/1/99-12/31/99).

Enclosed please find amended reports for the following time periods:

Mid-Year Report (1/1/99-6/30/99)  
Year End Report (7/1/99-12/31/99)  
April Quarterly Report (1/1/00-3/31/00)  
July Quarterly Report (4/1/00-6/30/00)  
October Quarterly Report (7/1/00-9/30/00)

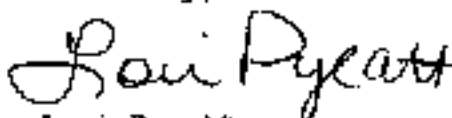

In reference to your inquiry regarding limited administrative expenses it has been determined that the PAC's operating expenses have been reported on the incorrect line number on the Detailed Summary Page of Receipts and Disbursements. The operating expenses had been incorrectly reported on Line 29-Other Disbursements rather than on the correct Line 21b-Other Federal Operating Expenditures. This figure has been amended appropriately for each reporting period listed above.

Due to the limited activity involved with the PAC, it has no office. The mailing address is a private residence address thus there is very limited office expense. All work is performed by volunteer activity. All other operating expenses are shown on Line 21b on the amended reports. These operating expenses for postage, banking fees, etc. are very nominal in amount per vendor and have not met the \$200 level requiring itemization.

All entries made on Schedule B - Line 23 now include the detailed information requested in your letter regarding office sought, district, etc. The Year End 1999 Report had a typographical error on the Detailed Summary Page on Line 21a1. The amended report corrects this error.

Should you have any further questions, please let me know.

Sincerely,

  
Lori Pyeatt  
Treasurer
